The Blue Mountain TV Network is a summer day program for children with developmental disabilities ages 3-21 who are currently enrolled in school. Our programs are designed for individuals with mild to moderate developmental disabilities, such as a Cognitive Disability or Autism.

Frequently Asked Questions:

Dates of Program?

June 3rd, 2018 through July 26th, 2018 9:00 am to 1:00 pm daily

Purpose of the Program?

To provide a fun, safe and engaging summer program to children and young adults ages 3-21. We work on goals like socialization, communication, self-help, fine and gross motor skills.

How do I register?

Our program is funded through AZ DDD. Members must be approved for Day Treatment Summer (DTS) through their support coordinator. Request DTS services from your support coordinator. The support coordinator will discuss goals with you and ask where you want them to attend. Obtain our registration packet and schedule to attend a new member orientation.

What is the ratio of staff to members?

We typically have a 1:4 ratio with staff and members.

How are staff trained?

We are extremely proud of the staff that work at our summer program, a few have been with us since we started 11 years ago. Our staff includes teachers, SLPAs, school psychologists, instructional assistants and more. In addition to their wonderful experience in their careers, we train them on our lesson plans, schedules and they read each and every file of the members.

How are members grouped in the program?

Members are grouped according to age, goals and needs. In addition to our main camp classrooms, we typically have a "preschool" age classroom for members 3-6 and a classroom for members high sensory needs. This year we will also have a young adult room for members 17-21 which will be located in the DTA building.

What will my camper do during the day?

We have a daily schedule and weekly lesson plan. Activities include science, art, group games and cooking. We also have a variety of other activities available including board games, coloring, video games/technology and books.

Are there field trips?

Trips vary by the group/classroom assignment. Some groups will go out 3-4 days a week, others once a week or less. Typical trips movies, library, bowling as well as a few special trips throughout the summer. The goal is to keep the weekly total under \$15.00 for the week.

Is transportation available?

Home to/from program transportation is provided on a first come first serve basis with priority for similar geographic area. Typically summer routes are in Surprise/El Mirage only.

Is there an extended day option?

Afternoon respite will be offered until 4pm every day and a weekly sign-up sheet will be provided on Wednesday for the following week. Parent/Guardian must pick up their member from respite.

How many days a week must the member attend?

We are only accepting full time registration, which would be Monday through Friday 9:00am – 1:00pm.

What should members wear?

Members should wear comfortable clothes appropriate for the weather. We are asking that all participants wear closed toe shoes this year. This is to protect their feet as well as keep us prepared to evacuate the building should an emergency occur. All participants under 10 years old or who are not toilet trained or able to self-feed must bring a change of clothes to keep on site.

Please order your official BMDP T shirt!! Youth sizes are \$11.00 and Adult sizes are \$13.00. Please return the T-shirt order form with your registration packet.

Is lunch provided?

Participants must bring a lunch, a snack and a water bottle is encouraged. Lunchtime is a great opportunity to work on self-help skills, cooperation, attention to task and socialization. The lunch must include its own cold pack, if necessary and we are unable to keep food overnight, so all uneaten food will be sent home daily. If your child needs a hot lunch, please send the food in a thermos. There will be special lunch days throughout the summer where participants will have the opportunity to buy special lunches (pizza, McDonald's, Chick-fil-A, etc.).

Do you accept members with enhanced ratios?

Enhanced ratios are reviewed on an individual basis through review of the Behavior Treatment Plan, ISP and member orientation. Whether the needs are behavior or medical, we want to ensure we can meet the member's needs.

Does the member have to be toilet trained?

No. All member's needs will be explored on an individual basis during the new member orientation.

Do you provide complex medical care?

The following care cannot be provided in any circumstances: injections, catheterizations, medical care of feeding tubes, tracheotomies, stomas, colostomy and care of oxygen equipment.

Will you dispense medication?

We will dispense medication to members only with a Medication Administration Authorization Form. All medication must be in the original prescription container with all required information on the pharmacy label. Refrigeration is not available and medications are locked.
